Linking to GALILEO Databases

Adapted from tutorials by the staff of Georgia Southern University’s Zach Henderson Library.
This tutorial will show you how to...

• Part 1: Link to a list of GALILEO databases by subject
• Part 2: Create a custom menu of GALILEO databases and link to it.
Part 1: Linking to a GALILEO subject list
Link to GALILEO subject list:
Open the library homepage (depts.gpc.edu/library) and click on GALILEO
Subject List: Go to the subject list in GALILEO

Click on the Browse by Subject link
Subject List: Locate the subject in the list of subjects

Select a subject from the list below:

- Arts and Humanities
- Business and Economics
- Company and Industry Information
- Education
- Engineering
- Georgia
- Government Information
- History
- Literature, Language, and Literary Criticism
- Math
- Medicine and Health
- Animal Science
- Biology
- Consumer Health
- Dentistry
- Genetics
- Medicine
- Nursing and Allied Health
- Nutrition
- Pharmacy
- Psychology
- Social Work
- Sports and Recreation
- Veterinary Medicine

Tips to help you get started:
1. Select a subject area from the list above.
2. Select an associated subject category from the drop down lists.
3. You will be taken to the search screen for that subject or choose another tab to see content related to that subject.
Subject List: Go to the subject list in GALILEO and copy the PURL.

Copy the permanent URL from the address bar to link to this list.
Part 2: Creating Custom Menus

• Create Custom Menus of selected databases.
• Generate an Express Link for Custom Menus for web applications.
• Use Custom Menus in applications to focus student assignments.
Custom Menus:
Open the library homepage and click on GALILEO
Custom Menu: Go to the databases list

Click on the Databases A-Z link
From the Databases A-Z page, Click on “Express Links” to get a complete list of GALILEO Express Links
Custom Menu: Select the databases to add to your list

Click the box for each database you want to add to your list.

- Build your own custom link by checking boxes
- Download all links for your institution (CSV)
- Copy and save any individual link
